**RE: In the Matter of Communications Assistance for Law Enforcement Act and Broadband Access Services, ET Docket No. 04-295**

Dear Ms. Dortch:

On December 19, 2005, Paul Brigner, Michael Nawrocki, Douglas Sullivan, and Joshua Swift from Verizon met with Nicholas Alexander, Julius Knapp, Geraldine Matise, Christi Shewman, Carol Simpson, and Rodney Small of the FCC to discuss Verizon's positions on CALEA for broadband access and voice over Internet Protocol services. Verizon provided an update to the FCC on the status of the standards development process and discussed United States Telecom Association's Petition for Reconsideration and Clarification of November 14, 2005.

If you have any questions about this matter or need more information, please do not hesitate to contact me directly.

Sincerely,
